

The student will describe how early European exploration and colonization resulted in cultural interactions among Europeans, Africans, and American Indians (First Americans).

EXPLORATIONS & SETTLEMENT CAUSED CONFLICT & VIOLENTS

ENGLISH COLONIES IN AMERICA

The Indians (First Americans) lost their traditional territories and fell victim to diseases carried from Europe

SPANISH COLONIES IN CARIBBEAN, CENTRAL AMERICA, AND SOUTH AMERICA

The Indians (First Americans) lost their traditional territories and fell victim to diseases carried from Europe

SLAVERY

An agricultural economy based on large landholdings in the Southern colonies and in the Caribbean led to the introduction of slavery in the New World.

The first Africans were brought against their will to *Jamestown* in 1619 to work on tobacco plantations.

French exploration of Canada did not lead to large-scale immigration from France, and relations with native peoples were often more cooperative.
